

2013 Extended Warranty  
by Hayward®

THE POWER OF GOING

Get total warranty coverage by registering  
online or filling out and returning the attached card!

**Warranty applies to new pool construction or major remodel projects on  
in-ground residential pool products only.**

*In order to qualify, you must purchase your Totally Hayward System products from a member of the  
Totally Hayward Partner Program and register those products at the time of installation.*

## New In-Ground Residential Pool Installations

Hayward® pumps, filters, heaters, heat pumps, automatic pool cleaners, automation controls and electronic chlorine generators are backed by individual limited warranties (refer to the specific product warranty cards for details). When you purchase and install a performance-engineered Totally Hayward System, you enjoy the additional coverage and security of the Totally Hayward System extended warranty.

To qualify for the Totally Hayward System extended warranty, there must be a Hayward pump (booster pump does not qualify) and filter in combination with one of the following products: Hayward heater, heat pump, automatic pool cleaner, automation control, electronic chlorine generator, and ColorLogic® LED lighting.

This requirement must be met to activate the Extended System Warranty.

Parts

Labor

	Parts	Labor
<b>Pumps</b>	<b>3 Years Parts</b>	
<b>EcoStar® Variable Speed Pump</b>	<b>3 Years Parts</b>	
<b>Filters</b>	<b>3 Years Parts<sup>1</sup></b>
