

Directions for use:

Clean & Perfect

1. Test small area for colorfastness before use
2. Apply directly on surface, let stand briefly, wipe clean and dry
3. On old stains or built-up grease and grim, work into surface with warm water, wait 3-5 minutes, wipe clean, rinse if necessary and dry

Important: Before using Clean & Perfect on vinyl liners, test a small area first for colorfastness

Note: If Clean & Perfect enters the pool water, it will not affect water chemistry
