

Directions for use:

Purge

Minimum once per year, or as often as needed

1. With circulation pump running add entire content of 2L **Purge** bottle to skimmer(s)
2. Circulate for 24 hours
3. Backwash or clean filter
4. Shock the pool to boost sanitizer levels
5. Proceed with regular pool water maintenance

Note: **Purge** is one bottle for every 2 skimmers (eg: 3 skimmers = 2 bottles of Purge)
