REPRIEVE 12' ROUND 48"

This first page lists the quantity, carton number, and carton description for each individual box and/or pallet in your shipment. Check that the numbers and descriptions on your checklist match identically to those on the cartons. Make sure that the pool type, model, shape, and size also line up perfectly. If something is off, even by one number, check to make sure that you have the correct checklist for your pool type and if so, contact our support team immediately at support@royalswimmingpools.com.
