3900 Sport

THE MOST TRUSTED NAME IN AUTOMATIC POOL CLEANING.

## The Benefits of Polaris® Pressure Cleaner

### A Healthier Pool

Independent booster pump operation keeps the skimmer free to remove surface debris and contaminants for a cleaner, healthier swimming experience. Sweep hose cleans tight corners and steps where other cleaners can't

### Reduces Maintenance

Sweeps and scrubs the bottom and walls of any size or shape pool. Captures debris before it reaches the pump basket and filter, reducing filter cleaning up to 80%, thus prolonging the life of your filter.

### Maximizes Circulation & Heating

Enhances your swimming experience, providing a clearer body of water by returning clean filtered water throughout all areas of the pool. Disperses warm water during the heating process to the depths of the pool.

## 380

Triple jet design gives it exceptional power to pick up small and large debris, such as leaves, pebbles, and acorns. BlackMax™ model also available for dark bottom pools.

### Features

- » Three venturi jets provide exceptional vacuum power and faster cleaning
- » Large 2 1/4" vacuum inlet
- » All-wheel belt drive for exceptional power and efficiency

## 360

Features advanced technology cleaning without the need for a separate booster pump. Available in a BlackMax model for dark bottom pools

### Features

- » Operates on the pool filtration pump. Does not require a separate booster pump
- » Three venturi jets for greater vacuum power
- » Large 2 1/4" vacuum inlet
- » All-wheel belt drive for exceptional power and efficiency

## 280

Versatile and dependable dual jet design. Longer wheel base reduces hang-ups in tight areas. Available in a BlackMax model for dark bottom pools, or TankTrax™ for vinyl liner pools.

### Features

- » Dual venturi jet design provides strong vacuum power
- » Large 2 1/4" vacuum inlet
- » Original shaft drive for reliable power and performance

## 180

The original single-jet Polaris is suitable for all in-ground pool.

### Features

- » Single venturi jet design
- » 1 1/4" vacuum inlet
- » Original shaft drive for reliable power and performance

All Polaris Pressure Cleaners feature innovative auto-reverse technology, which enables the cleaner to free itself if it gets stuck.

**EXPERIENCE BUILT IT.  
STYLE DEFINES IT.**

**WIDE TRAX® TIRES**

Wide Trax tires facilitate optimal traction, climbing, and maneuverability.

**EXTRA LARGE VACUUM INLET**

2½" vacuum inlet allows the 3900 Sport to pick up the largest debris of any pool cleaner on the market.

**POSIDRIVE**

All-wheel, PosiDrive System delivers 50 percent more torque and is the most reliable and efficient drive train available.

**SUPERBAG**

Easy twist release zippered Superbag is a snap to remove and clean, and its 5-liter capacity means more debris pick up with fewer stops to empty the bag.

## 3900 Sport

Developed from Polaris' 40 years of experience as an industry leader in automatic pool cleaner design, the Polaris 3900 Sport is the most technologically-advanced pressure-side pool cleaner on the market today. It combines the dynamic appeal of a completely re-engineered body design with the most sophisticated features, producing maximum vacuum power and drive torque for quicker cleaning and fewer hang-ups.

Talk to your pool products retailer to learn how much you can save by trading in your old pool cleaner for a Polaris®, the most trusted name in automatic pool cleaning.
