

Pool Breakdown

SALTWATER DESTINY 15'x26' OVAL 52"

This first page lists the quantity, carton number, and carton description for each individual box and/or pallet in your shipment. Check that the numbers and descriptions on your checklist match identically to those on the cartons. Make sure that the pool type, model, shape, and size also line up perfectly. If something is off, even by one number, check to make sure that you have the correct checklist for your pool type and if so, contact our support team immediately at support@royalswimmingpools.com.

Once you have all of the cartons listed above, continue to the next page. There should be one table per carton and each carton should be gone through entirely before moving on to the next.

Please ensure that you have received the proper quantity for each item listed.

DO NOT THROW CARTONS/BOXES AWAY UNTIL AFTER THE INSTALLATION IS COMPLETE. We recommend taking photos of all labels/stickers on the boxes.

In the unlikely event that you are missing items, please refer to the document Inventory Checklist and Reporting Missing Items that was previously emailed to you.

Once you have ALL items listed on the entire inventory checklist, refer to your safety handbook and installation manual before you start the building process.
