Once you have all of the cartons listed above, continue to the next page. There should be one table per carton and each carton should be gone through entirely before moving on to the next.

Please ensure that you have received the proper quantity for each item listed.

DO NOT THROW CARTONS/BOXES AWAY UNTIL AFTER THE INSTALLATION IS COMPLETE. We recommend taking photos of all labels/stickers on the boxes.

In the unlikely event that you are missing items, please refer to the document Inventory Checklist and Reporting Missing Items that was previously emailed to you.

Once you have ALL items listed on the entire inventory checklist, refer to your safety handbook and installation manual before you start the building process.
