1. Find a clean, level surface to begin the assembly of your game table. The table will be partially assembled upside down and then turned over onto its legs.
2. Remove all of the contents from box and verify that you have all of the parts shown on the Parts Identifier before you begin assembly. **Note: Some parts may be pre-installed or pre-assembled.**
3. Some figures or drawings may not look exactly like your product. Please read and understand the text before beginning each assembly step.
4. When installing parts that have more than one screw or bolt, hand tighten all screws or bolts in place before finishing tightening with screwdriver or hex wrench.
5. Electric screwdrivers may be helpful during assembly; however, please set a low torque and use extreme caution because screws may be stripped or overtightened if the electric screwdriver's torque is set too high.

WARNINGS!

READ AND FOLLOW ALL ASSEMBLY, OPERATION AND SAFETY INSTRUCTIONS CAREFULLY.

CHOKER HAZARD - THIS TABLE CONTAINS SMALL BALLS AND PARTS - NOT SUITABLE FOR CHILDREN UNDER 3 YEARS OF AGE.

1. Attach LEGS #2 to the underside of the TABLE BODY #1 as shown with 2-1/4" BOLT #5 and FLAT WASHER #6. *Note: The door opening must face outwards.*
2. Attach two LEG LEVELERS #4 to each LEG as shown.

3. Carefully turn table over. Attach MANUAL SCORERS #8 to TABLE BODY as shown with 1-1/2" SCREW #9. Cover each SCREW with one SCREW CAP #10.
4. Attach DOOR HANDLE #12 to door opening on LEG.

You have now assembled your Harvil Game Table. Please note the Care and Use instructions below to ensure years of trouble free use of your game table.

CARE AND USE

1. This product is intended for INDOOR use only.
2. Do NOT sit, climb or lean on the table.
3. Do NOT drag the table when moving it as this will damage the legs.
4. This Shuffleboard is equipped with Climatic Adjusters underneath the table to level the playfield. Because of humid weather or dry conditions, it is occasionally necessary to make adjustments in order to keep the playfield true.

Begin the adjustment process by placing a straight edge across the playfield directly above the first Climatic Adjuster at either end of the table. This will determine if the playfield is concave or convex. The shuffleboard surface should be slightly concave to prevent the pucks from falling off the sides of the board.

Each Climatic Adjuster consists of three anchor bolts attached to the underside of the playfield through a metal bar. Adjustments will be made to the center bolt only. The outer two bolts are used to hold the metal bar in place.

To correct a convex playfield, loosen the nut above the metal bar. Slowly tighten the nut below the metal bar up against the bar in order to pull the center of the playfield down.

To correct a concave playfield, loosen the nut below the metal bar. Slowly tighten the nut above the metal bar down against the bar in order to push the center of the playfield up.

Once the desired adjustment has been made, continue to the next Climatic Adjuster and repeat the process.

Please note that the shuffleboard will react to the adjustments for several days. Check the playfield again after a few days to determine if further adjustments are needed.

This Harvil product is warranted to the original purchaser to be free from defects in material or workmanship for a period of ninety days from the date of the original retail purchase.

This warranty does not cover defects or damage due to improper installation, alteration, accident or any other event beyond the control of the manufacturer. Defects or damage resulting from misuse, abuse or negligence will void this warranty. This warranty does not cover scratching or damage that may result from normal usage.

This product is not intended for institutional or commercial use; Harvil does not assume any liability for such use. Institutional or commercial use will void this warranty.

This warranty is nontransferable and is expressly limited to the repair or replacement of the defective product. During the warranty period, Harvil shall repair or replace defective parts at no cost to the purchaser. Shipping charges and insurance are not covered and are the responsibility of the purchaser. Labor charges and related expenses for removal, installation or replacement of the product or components are not covered under this warranty.

Harvil reserves the right to make substitutions to warranty claims if parts are unavailable or obsolete.

Harvil shall not be liable for loss of use of the product or other consequential or incidental costs, expenses or damages incurred by the consumer of any other use. The user assumes all risk of injury resulting from the use of this product.

This warranty is expressly in lieu of all other warranties, expressed or implied, including warranties of merchantability or fitness for use to the extent permitted by Federal or state law. Neither Harvil nor any of its representatives assumes any other liability in connection with this product.

All warranty claims must be made through the retailer where the product was originally purchased.
