# Sit & Stay Awhile

Allow Cardinal Spas to elevate the luxury and elegance of your backyard. Made with precision and the highest quality products coupled with state-of-the-art features, a spa addition can provide endless rejuvenation all year long. Our Standard and Spill-Over spa options allow you to choose the function and movement of your outdoor living space. Available in two sleek color variations, our spas are available in a variety of options to fulfill the design and layout needs for your landscape.

## STANDARD

Our line of Standard spas are available in round or square shapes in Sterling Silver or Storm Cloud colors. Both are available in 12 or 25 jet systems.

## SPILL-OVER

Our line of Spill-Over spas are available in round or square shapes in Sterling Silver or Storm Cloud colors. Both are available in 12 or 25 jet systems.

The color representations have been printed as closely as possible to actual colors, however, actual spa shell colors may vary from photograph.

# FEATURES

Cardinal Luxury Spas are manufactured to the highest quality standards with state-of-the-art features that provide easy upkeep and maximum comfort. All Spas are pre-plumbed and water tested for a minimum of 24 hours to ensure a leak-free installation.

*Please note: Cardinal Luxury Spas do not meet commercial installation code.*
