Intermatic Purflo

1.5 HP 2-SPEED POOL PUMP

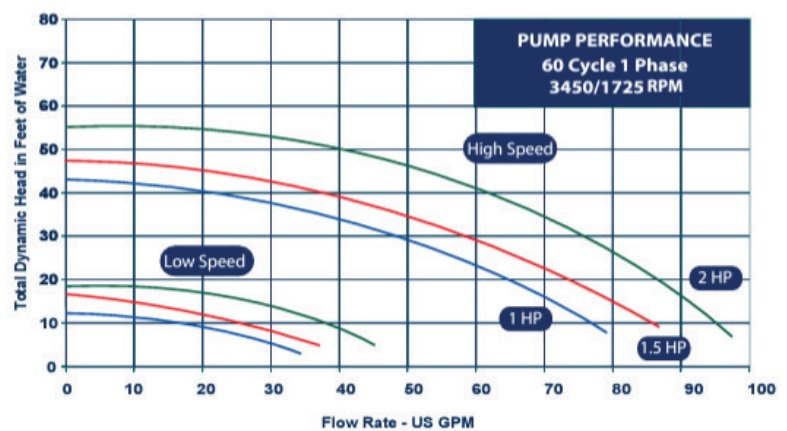

Intermatic Purflo two-speed DOE-compliant pool pump features a rugged TEFC motor and delivers energy-efficient performance. The TEFC motor design prevents water, dust, and other contaminants from entering and affecting the motor's operation and longevity. Easy to maintain and offers homeowner-friendly features, like an integrated ON/OFF switch and a large strainer basket with see-through lid.

Pump Features

Model No. 5-APAP152SP63

- Totally enclosed fan-cooled (TEFC) technology.
- Self-priming for faster, easier start up.
- Energy-efficient 2-speed motor. Uses half the amps on low speed, saving 50% on electricity costs.
- Quad seal motor design with layers of protection built in to ensure long pump life.
- Large strainer basket with see-thru lid.
- Integrated On/Off switch. DOE Compliant.
- Ultra-quiet for installation.
- 6 ft. cord with standard plug.
- Drain valve for easy maintenance.
- 2-year limited warranty on parts
